Philips AVENT ISIS
Manual breast pump

with VIA Storage System

SCF290/12

Express more. Store easily.

Express, store and feed in easy steps.

A manual breast pump offers you total control of the suction level and pumping rhythm. The unique Philips AVENT Manual Breast Pump assures you enhanced efficiency, being clinically proven to express more milk than a hospital electric pump.

For safe storage and transport
- Leak-proof, twist-on lid

Fits all Philips AVENT breast pumps and teats
- Use adapter to express and feed

Clinically proven to be effective*
- Patented Let-down Massage Cushion

Stimulate and Express
- Soft massage cushions trigger natural let-down, like baby.
- Gentle vacuum mimics baby's suckling for steady milk flow

Benefits and features:
- Express and store in one easy step
- Clinically proven

PHILIPS
AVENT
sense and simplicity

Manual breast pump
with VIA Storage System

SCF290/12

Highlights

Soft massage cushions

Patented massage cushions flex in and out, replicating baby's suckling action and stimulating a fast, natural let-down.

Gentle-draw vacuum

The gentle-draw vacuum mimics baby's suckling to create a steady milk flow that requires less pumping.

Leak-proof, twist-on lid

For safe storage and transport.

Adapter to express and feed

Use the adaptor to express and feed with the same cup.

Patented Let-down Massage Cushion

Five, soft petal massagers gently flex in and out as you pump and work with the vacuum to imitate your baby's suckling.
